

Erasmus+ learning programme for group activities

1. Information about the learning mobility

Field	School Education
Activity type:	Group mobility of school pupils
Mode:	Physical
Start date:	10/10/2022
End date:	15/10/2022
Participants’ profile	It is a group of students aged 14-15. They are attending a language project where they study English and French at the same level, but in this project it is very important to build an environment of intercomprehension of Romance language. Liceo scientifico e classico statale “G. Peano- S.Pellico” has a similar project.
