3. Learning agreement:

Objectives of the virtual project:

- To learn about the environmental, sociopolitical and cultural aspects of sustainable tourism.
- To create awareness of the participants, as locals, as visitors-tourists or as future professionals-employees regarding the topic of sustainable tourism.
- To cooperate with European schools and institutions to strengthen our European sense of community.
- To enhance digital skills of students and teachers through the creation of digital products and virtual collaboration.
- To disseminate the project to our school community (student-teachers-parents).
- To improve English language skills through real-life communication.
